MERRY CHRISTMAS

Janis - Children and Youth Worker

We hope your holidays are filled with laughter & love.

I wanted to share what's been happening at St Mary's this month. From Youth Nights to Christingle service, there's so much to update on.

Youth Nights

We all love games and a good Christmas movie. On two Friday nights, we welcomed a group of young people to St Mary's to enjoy an early celebration of Christmas. It is our pleasure to make St Mary's a hub of connection and relationship-building.

Nativity

We kicked off our first Sunday of advent with Nativity! With actors from all ages, the show was a great opportunity to bring families together and learn about the story of the birth of Jesus, our Saviour!

Christingle service

Christingle is a traditional British Christmas service that introduces the love of Jesus. Celebrated with carols and a message of hope, each members of the church was presented with a Christingle that was made out of a real orange!

Toddler's Christmas Party

Parent and Toddler Group had a massive Christmas Party! It was such a joy to celebrate Christmas with lovely parents and toddlers from the local community. We each made a Christmas wreath to take home too! The group will meet again on 11th January 2024 (2nd Thursday).
